

ILN Leadership Program - Overview

Orientation Evening	Opening retreat	Connecting with & leading others	Leadership mindset	Communicate to connect & influence	Influencing the system	Program Closing
<p>Bringing together participants and program staff, this kickoff evening will ignite the energy in the room, break the ice, and set the stage for an unforgettable experience. We'll outline the program, clarify expectations, and spark excitement by showcasing the incredible benefits participants can expect. Get ready to dive in and discover what makes this program truly extraordinary!</p>	<p>Participants will be taken away from the city for a night to unplug from their day-to-day and begin pressing into their own leadership journey. Sharing stories, we'll connect as a group and explore the things that drive and inspire us. We'll look at personal handbrakes that get in our way and start exploring adaptive leadership and systems thinking.</p>	<p>With a focus on building strong teams and fostering collaboration, learn how to navigate team dynamics, develop trusted relationships and mobilise others to action. We'll also equip you with strategies to manage conflict confidently, turning challenges into opportunities for growth. Leave with practical tools to lead authentically and create a thriving, collaborative environment.</p>	<p>This workshop explores resilience, from building it in yourself and others to understanding the neuroscience behind effective leadership. Learn to manage setbacks, turn feedback into growth, and craft self-care strategies. Gain the skills to thrive in uncertainty, turning challenges into opportunities for innovation and success.</p>	<p>Unlock the secrets of powerful communication in this dynamic workshop. Discover how to connect authentically by understanding your core values and introducing yourself from the inside out. Master mindful speaking and listening, craft compelling stories, and learn to speak confidently even in the face of resistance.</p>	<p>Building on the foundations of adaptive leadership from earlier workshops, this workshop dives deeper into influencing systems and driving change. Understand why people resist change, learn to "read the room," and identify who to influence and how. Explore your role in leading and mobilizing others, equipping yourself to navigate complex environments with confidence and impact.</p>	<p>In this final workshop, participants will reflect on their leadership journey, solidify their key takeaways, and commit to future action. We'll explore strategies for ongoing learning and connection, ensuring the growth and insights gained continue long after the program ends.</p>
